Note previous refusal was:

The conversion of the four-bedroom dwelling into 2 x two-bedroom flats would result in the loss of a residential unit that is suitable and appropriately sized for a family.

The proposal would therefore unacceptably undermine the supply of family housing within the Borough, for which there is an identified need, contrary to Policies DMH 1 and DMH 2 of the Hillingdon Local Plan: Part Two - Development Management

Policies (2020), Policy H10 of the London Plan (2021) and the National Planning Policy Framework (2021).

New proposal is providing a ground floor 3 bed unit to meet the councils requirements.
