Dear Sirs

PLANNING CONSULTATION FOR THE UPGRADE OF THE EXISTING TELECOMMUNICATIONS EQUIPMENT AT ST JOHN THE BAPTIST, ROYAL LANE, HILLINGDON, MIDDLESEX UB8 3QR. (NGR 506918/182911)

We are planning consultants retained by NET to submit planning applications on behalf of Telefónica O2 UK Limited and Vodafone Limited who entered into a network sharing agreement. This arrangement allowed each company to share the other party's installation. In September 2012 approval was received from the Office of Fair Trading for the formation of a new company – Cornerstone Telecommunications Infrastructure Ltd (Cornerstone). We submit the following consultation correspondence in accordance with the traffic light rating model.

The site is located at ST JOHN THE BAPTIST, ROYAL LANE, HILLINGDON, MIDDLESEX UB8 3QR, enclosed are drawings 42280 100A,200A,201C,300A, 301B,402C, 601B,602B issue D. The proposed upgrade comprises:

THE REPLACEMENT OF THE EXISTING ELECTRICAL METER CABINET WITH A SFMC266 CABINET MEASURING 655 X 264 X 1215 MM AND PAINTED GREEN ON THE SOUTHERN ELEVATION OF THE CHURCH, ADJACENT TO THE EQUIPMENT CABINET AND ASSOCIATED DEVELOPMENT THERETO.

The proposal is very minor in nature and proposes to replace the existing cabinet which is located behind the hedge on the southern elevation. The proposal is part of the telecoms upgrade of this site but all other elements are internal and do not require planning consent.

As mobile phone use grows – more than 90% of the population now owns a mobile phone – customers expect to be able to use their mobiles and tablets in all locations, as they have become intrinsic to our personal and professional lives.

Health and safety is at the very heart of the way Cornerstone conduct their business and they are very conscious of their responsibility to local communities and others affected by their business.

Due to the minor nature of the proposal and the fact that it is a cabinet swap we are sending this letter out of curtesy, should you have any queries regarding this matter, please do not hesitate to contact me, Rebecca Skerrett on 0161 956 4305 or rebecca.skerrett@avisonyoung.com, alternatively there will be the opportunity to submit comments once the application is submitted to the council.

Yours Faithfully

R. N. Skerrett

Rebecca Skerrett

Associate - Telecoms

Avison Young.
