Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The total conversion of the roof space equals 33.96 cubic metres, which is under the required 50 cubic metres for a detached property.

The use class of the property shall not change and will remain as a C3 dwellinghouse (family home).

Any part of the dwellinghouse WILL NOT, as a result of the works, exceed the height of the highest part of the existing roof.

Any part of the dwellinghouse WILL NOT, as a result of the works, extend beyond the plane of any existing roof slope which forms the principal elevation of the dwellinghouse and fronts a highway.

The materials used in any exterior work shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.
