What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage

☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Removal and replacement of 1no antenna, removal of 1no existing equipment cabinet to be replaced with 2no new equipment cabinets, installation of 1no GPS node and ancillary development thereto

Please state why you wish to make this amendment

This change enables the site to be futureproofed as freestanding frames would typically offer more capacity for any further equipment upgrades or minor alteration. In comparison, the previously proposed wall-mounted support poles have more limitations, particularly in regard to weight loading.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
