**PARTY WALL ACT 1996**  
OWNER/S MUST ENSURE ALL  
PARTY WALL AGREEMENTS ARE  
IN PLACE BEFORE ANY BUILDING  
WORKS ARE TO COMMENCE

Please note that construction must only commence once planning, building control and any other approvals have been received. It is the responsibility of the owner/contractor to commence prior to these approvals.

Legend		IMPORTANT GENERAL NOTE	
Walls Removed	Green	The specification is to be read in conjunction with the plans/section details, and other associated drawings and notes that may be provided.	
New Walls	Grey	All work is to be carried out in accordance with the Local Authority Planning and Building Regulations Approved, as well as any other relevant regulations, rules, codes, positions and locations of particular as indicated on drawings and site surveys. The contractor must ensure that the work is carried out in accordance with these regulations and codes. Any work that does not conform to the Approved Surveyor's drawings and site surveys must be reported to the Approved Surveyor/Local Authority responsible persons immediately.	
Existing Walls to Remain	Grey	An existing wall is to remain in its original position. It is the responsibility of the contractor to ensure that the wall is not damaged during the works. The contractor must ensure that the wall is in a safe condition and appropriate Health & Safety site precautions.	
Boundary Wall	Black	A boundary wall is to be constructed in accordance with the CDM regulations, and appropriate Health & Safety site precautions.	
Sound Separating Walls	Orange	A sound separating wall is to be constructed in accordance with the CDM regulations, and appropriate Health & Safety site precautions.	
Proposed Extensions	Red	Proposed extensions are to be carried out in accordance with the CDM regulations, and appropriate Health & Safety site precautions.
