Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Prior to the commencement of any site clearance, demolition or construction work, the applicant shall submit a demolition and construction management plan to the Local Planning Authority for its approval.

The plan shall detail:

- (a) The phasing of development works.
- (b) The hours during which development works will occur (please refer to informative I15 for maximum permitted working hours).
- (c) Measures to prevent mud and dirt tracking onto footways and adjoining roads (including wheel washing facilities).
- (d) Traffic management and access arrangements (vehicular and pedestrian) and parking provisions for contractors during the development process (including measures to reduce the numbers of construction vehicles accessing the site during peak hours).
- (e) Measures to reduce the impact of the development on local air quality and dust through minimising emissions throughout the demolition and construction process.
- (f) The storage of demolition/construction materials on site. The approved details shall
