

Heritage Assets and Climate Change

The alterations provide an opportunity to reduce carbon emissions to a standard not required at the time of the buildings construction.

No significant conflict should occur between conserving the heritage asset and benefitting the properties with sensible modifications.

Consulting Neighbours

Discussion with the neighbours has taken place.

Impact on Amenity, Outlook and the Privacy of Neighbours.

Due to site arrangement of the proposal there will be no negative impact on the amenity or privacy of the neighbours.

Parking and Access

There is off street parking.

Conclusion

The neighbourhood will not be subject to extra disturbance. No removal of landscaping is necessary and security arrangements will be maintained.
