Description of Proposed Works

Please describe the proposed works

The purpose of the works would be to convert the existing garage of the property into a soundproofed room intended for music practice. This would involve the removal of the garage door and bricking up of the opening, with a new standard hinged external door and window to be installed in its place. The new face of the garage would be rendered, like many of the other houses on the street. The finished room would then be soundproofed from the inside.

As part of the renovation, I also wish to build a small toilet / shower room within one corner of the garage, which would be accessed from inside the house in the hallway.

Has the work already been started without consent?

Details of the pre-application advice received

I have been advised to make an application due to a restrictive condition attached to the 1986 side extension (garage) of the property (reference 39284/86/1952-cdtn 3) which reads as follows:

“CONDITION 3

The garage shall be used only for the accommodation of private motor vehicles incidental to the use of the dwellinghouse as a residence and shall not be used for the garaging of any commercial vehicles or the carrying out of any industrial or commercial activity. Notwithstanding anything contained in the Town and Country Planning General Development Orders 1977 - 1985 the garage shall not be used for any other than its designed purpose without the prior written permission of the Local Planning Authority.

REASON

To ensure that the garage is used for its designed purpose and is not used for activities which are unsightly or detrimental to the amenities of the locality by reason of noise, fumes, dust, smoke or other nuisance inappropriate in a residential area, also to ensure that adequate off-street parking is retained.”

The property has two off street parking spaces so the change of use of the garage would not impact parking greatly.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☒ Yes
- ☐ No

Certificate Of Ownership - Certificate B

I certify/ The applicant certifies that:

- ☒ **I have/The applicant has given the requisite notice to everyone else (as listed below) who, on the day 21 days before the date of this application, was the owner* and/or agricultural tenant** of any part of the land or building to which this application relates; or**
- ☐ **The applicant is the sole owner of all the land or buildings to which this application relates and there are no other owners* and/or agricultural tenants**.**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
