Details of the pre-application advice received

FAO Duty Planner,

Dear Sir / madam,

I am writing in relation to the above planning application which was granted on 2nd July 2021. Our intention is to carry out the works in a few months time - well within time before the planning permission expires on 2nd July 2024.

However, it is looking more likely than not that the arrangements for where we are intending to stay during the time the works are being carried out will probably not be ready in time. Therefore we were wondering if there was a process to extend the planning consent for say 6 months to cover this eventuality.

Please advise what can be done to extend the planning consent for 6 months to 2nd January 2025.

Best Regards

Mr Satchand Kalsi

Mr Satchand Kalsi,

Thank you for your e-mail.

There is no process for extending the existing approval 39588/APP/2021/1849 dated the 2nd of July 2021 so your options would include:-

- Building the footings before the 2nd of July 2024 to implement the permission and keeping the approval "live" for future completion
- Reapplying for the single storey side extension which will involve plans form and a fee £258.

Please note that the comments made in this email represent officer opinion and cannot be seen to prejudice the Local Planning Authority's formal determination about any application or planning matter.

Regards

Richard Buxton

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
