Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Repair and rebuilding of the existing boundary wall and archway, previously demolished to carry out construction works to the house to avoid damage to the wall. We are proposing to use brand new, weathered bricks to match in a 50/50 mix of original weathered and dark weathered london stock.

Whilst the Arch is already demolished, the rebuild has not started. The previous application 39894/APP/2022/2350 was already approved, but this one seeks approval for the final rebuild including the choice of bricks.

Does the proposal consist of, or include, a change of use of the land or building(s)?

☐ Yes

☒ No

Has the proposal been started?

☐ Yes

☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The works relates to only rebuilding of the boundary wall and archway. The wall is an existing structure with no statutory protection.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Planning permission to substantially refurbish house approved - Application Number: 39894/APP/2021/124

Select the use class that relates to the existing or last use.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Works are to an existing wall and permitted development allows the right to carry out necessary repairs and improvements as required. Upon completion of the works the wall will match the appearance of its existing form and should require no further maintenance for the foreseeable future. The rebuilding of the Arch is essential and completes the wider development project of the property.
