## Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please state why you wish to make this amendment

Grey roof tiles are already present on several nearby properties within the same street scene (e.g. House number 19), and the use of a similar grey tile would not alter the character or appearance of the area. The proposed material remains consistent with the roof profiles in the locality and preserves the appearance of the West Drayton Green Conservation Area. The amendment is minor, does not affect the scale or design of the approved extension, and therefore constitutes a non-material change

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
