

MATERNITY FIRST FLOOR GROSS INT AREA = 1252.6m sq

The figure consists of two parts. The top part is a circular dial with a needle pointing to the number 2. The bottom part is a graph of a step function. The horizontal axis is labeled with values 0, 2, 5, and 10 m. The step function starts at 0, remains constant until 2 m, then drops to a lower level until 5 m, and remains constant at that level until 10 m.
