Murphy Geospatial Disclaimer

All reasonable endeavours have been used to capture the required data in the survey to the agreed standards of accuracy. Where features have been obstructed due to a lack of access, the areas will be annotated as **UTS** (Unable To Survey). The Company shall not be liable for any damages or consequential losses arising from the reliance on survey information beyond its specified scale and accuracy, or survey information used for purposes other than that stated in the Contract of Works.

Notes:

Notes:
Dashed lines represent assumed detail in areas where no access has been possible at the time of survey. These details have been based on corresponding similar features found on site, as such further checks should be made before these details are relied on.

Location Plan

The map shows the layout of the University of Birmingham campus. Key buildings labeled include the Education Centre, Main Building, Endoscopy, and a new building highlighted in red. The new building is situated near the Main Building and the Endoscopy unit. The map also shows the surrounding streets, including Edgbaston Road and the Ring Road.
