

### MBS Symbols & Features

|                                                                                     |                             |                                                                                     |                            |
|-------------------------------------------------------------------------------------|-----------------------------|-------------------------------------------------------------------------------------|----------------------------|
|  | Star Break Line             |  | Hand Basin                 |
|  | Star & Ramp Arrow (Up)      |  | Sink - With Draining Board |
| 10,00                                                                               | Floor Level (Plans)         |  | Toilet With Cistern        |
| 13,00                                                                               | Beam Level (Plans)          |  | Disabled Toilet            |
| 13,00                                                                               | Ceiling Level (Plans)       |  | Urinal                     |
| F13,00                                                                              | False Ceiling Level (Plans) |  | Shower Tray                |
|  | Arch (Down)                 |  | Bath Tub                   |
| * ASL 0,00                                                                          | Arch Spring Level           |  | Drawing Fit Mark           |
| * ARL 0,00                                                                          | Arch Head Level             |                                                                                     |                            |
| DH 0,00                                                                             | Slope Arrow (Down)          |                                                                                     |                            |
| F-C 0,00                                                                            | Door Height                 |                                                                                     |                            |
| Ch-0,00                                                                             | Window Heights (Plans)      |                                                                                     |                            |
| 10,00                                                                               | Level Symbol (Elevations)   |                                                                                     |                            |
|  | Section Location Tag        |                                                                                     |                            |
|  | Elevation Location Tag      |                                                                                     |                            |

**Murphy Geospatial Disclaimer**

All reasonable endeavours have been used to capture the required data in the survey to the agreed standards of accuracy. Where features have been obstructed due to a lack of access, the areas will be annotated as 'UTS' (Unseen To Survey). The Company shall not be liable for any damages or consequential losses arising from the reliance on survey information beyond its specified scale and accuracy, or survey information used for purposes other than that stated in the Contract of Works.

Any concerns with the survey should be raised with Murphy Geospatial, who will endeavour to promptly provide a remedy. The Client shall not seek recourse through any third party until such time as Murphy Geospatial have had the opportunity to redress any concerns raised.

For full terms and conditions visit **Terms and Conditions** [www.murphygcs.com](http://www.murphygcs.com)

**Location Plan**

This map shows the project site, labeled 'Project Site', highlighted in red. The site is located in a residential neighborhood with various streets and building footprints. A north arrow is present in the top left corner, and a scale bar is in the bottom right corner.
