Hi Liz,

Thank you for coming back to me so quickly.

The Brick is an Ibstock Brick Ltd - Chailey Stock brick which appears to be very similar to the colour shown on the approved plans <https://www.ibstockbrick.co.uk/brick-selector/>

The roof tile is a Wienerberger Ltd "Humber Natural Red" Plain Clay Tile
<https://www.wienerberger.co.uk/product-range/roof/humber-natural-red.html#product>

The brick is intended to replace the yellow London Stock.

Kind regards

Jeff

Hi Jeff

These do appear more appropriate. Please can you confirm the make and colour detail so I can update to the system. Does the brick replace yellow multi London stock or is in addition (as per the detailing at no. 19).

Kind regards

Liz
