Notes

1 | Do not scale from this drawing. Use figured dimensions only. The contractor is requested to check all dimensions before the work is put in hand.

2 | Read in conjunction with all other Architect's and structural engineer's drawings.

3 | All work to comply with current Building Regulations and codes of practice.

4 | Report any discrepancies to the contract administrator before undertaking the work described in the drawings.

5 | Dimensions are approximate site dimensions and are to be verified by the

contractor on site before any fabrication / site works occur.

6 | Contractor is responsible for all temporary propping to existing structure.
