

Proposed Location Plan, Scale 1/1250

A scale bar and north arrow are positioned at the top of the map. The scale bar is a horizontal line divided into four segments: the first segment is 10 units long and contains a black and white checkered pattern; the second segment is 10 units long and contains a solid black background with a white border; the third segment is 10 units long and contains a solid black background with a white border; the fourth segment is 10 units long and contains a solid black background with a white border. The total length of the scale bar is 40 units. Above the scale bar, the text '0', '25', '50', and '75m' are placed at regular intervals. Below the scale bar, the text 'scale 1:1250' is centered.
