

Aerial Photographs

1. The aerial photographs provided in this document have been supplied by the Applicant and are understood to have been taken from Google Earth Imagery.
2. This has a 'time hop' facility which allows access to historic images, in this case dating back to 1999.
3. Each photograph provided is dated by year. Care has been taken as far as possible to ensure the images from the different years are of the same scale and size to allow ease of comparison.
