

The render used was silicone render combined with an adhesive base coat and finish. Please see attached photographs to show the same. You are also invited to visit the site if you wish to satisfy yourself as to the quality of the finish and the type of render used.

You have also asked for information about manufacturer's name and sample images. We propose to use Ceresit CT48 Silicone Paint, Leaf Green Colour. RAL reference 6002. <https://www.ralcolorchart.com/search-ral-color?term=RAL+6002>
