If Yes, please indicate which part of the condition your application relates to

The Condition requires us submit a scheme for the materials and finish of the northerly/rear elevation of extended shed for the written approval of the local planning authority and the scheme shall include a timetable for its implementation.

The wall has already been rendered with a high quality render.

We apply for painting the wall a "Forrest Green" colour exterior paint in eggshell or sheen finish, Forrest Green colour is proposed as this blends in with the natural colours in the garden. However if this is not acceptable, then we propose white finish as this matches the colours of the external walls of the existing outbuildings as well as the external wall of the neighbouring property which is painted in white colour thus maintaining the Character and appearance of the local area.
