## Description of Proposed Works

Please describe the proposed works

To enlarge the existing rear dormer and divide the existing first floor bedroom into two children's bedrooms with one en-suite shower/toilet and repurposing the existing smaller baby room into a study/storage/utility room with hot water cylinder and water pump remaining in situ. All works to be completed in accordance with the relevant Building Regulations and using the materials to match the existing. With works completed, the ground floor remains unchanged, top floor would have 2 children's bedrooms, 1 study/storage room, 1 shared bathroom and 1 en-suite shower/toilet.

Rear dormer extension is not facing any other properties and would not be visible from the street thus preserving the current street scene and cottage look of the property in keeping with the Northwood Hills Area of Special Local Character.

Has the work already been started without consent?
