A diagram showing a building footprint (shaded gray) within a larger area (shaded light green). The building footprint is irregular, with a dashed line indicating a specific section. Surrounding the building are several access points labeled with numbers and letters: 2A, 2B, 3A, 3B, 4A, 4B, 1A, 1B, and X. The labels are arranged around the building, with 2A and 2B at the bottom, 3A and 3B on the left, 4A and 4B at the top, and 1A and 1B on the right. The 'X' labels are positioned near the top-left and top-right corners of the building footprint.

REVISION

j1,j2 etc = pre-contract or preliminary (BS1192 compliant) -

c1,c2 etc = post contract (BS1192 compliant)

A, B, etc = LA standard (on older projects)

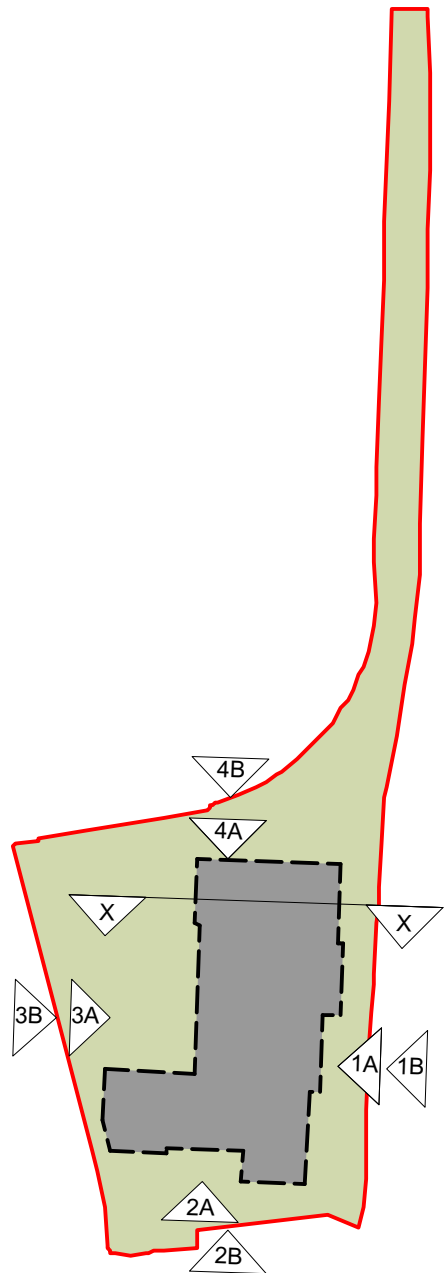

An architectural elevation rendering of a modern multi-story building. The building features a mix of materials, including light-colored brick and dark grey panels. It has several large, rectangular windows and balconies with glass railings. The building is surrounded by landscaping, including large green trees and smaller shrubs. In the foreground, there are stylized figures of people walking and a person on a bicycle. The building is situated near a body of water, which is labeled "River Colne" in the bottom right corner. The sky is a clear, light blue.

- (A) Buff/yellow London stock coloured bricks
- (B) Dark brown/buff coloured bricks
- (C) Grey powder coated aluminium windows
- (D) Balconies or terraces with glazed panels on powder coated steel & aluminium frame and facias
- (E) Dark grey bricks with dark grey mortar
- (F) Grey standing seam cladding
- (G) Concrete column
- (H) Metal mesh screen/fence
- (J) Reconstituted stone copings
