You don't often get email from emma.whytefield@propertyriskinspection.co.uk. [Learn why this is important](#)

Good afternoon Sophie,

We write further to the attached TPO Consent in respect of agreeing the specifics of the replant Condition.

Size: *You have advised "Standard" size between 2-3m high. Please could you confirm if nursery stock of 8-10cm girth would be acceptable?*

Species: *Silver Birch*

Location: *Please see marked on the attached site plan, as discussed with the homeowner and our Consultant Arborist.*

Please could you advise whether the above proposal is agreeable so we can proceed with arranging the felling and replanting?

Thanks,

Kind regards,

Emma Whytefield
