**SCHEDULE OF CONDITIONS**

Dear sir/Madam

Please find the following conditions we wish to discharge as requested.

**1. Condition 2**

Please find enclosed brick sample, roof tile sample and window sample colour.

**2. Condition 5**

Please find attached plan showing existing site levels, alongside the new proposed levels and invert levels of manholes and datum fixed point at road level.

**3. Condition 6**

Please find attached method statement for the Demolition contractor, including desk top survey, asbestos report and demolition notice. Demolition works to last 4 weeks.

Working hours – No construction work to be carried out before 8.00am or after 6.00pm Monday to Friday. Saturday working hours 8.00am to 1.00pm

A wheel wash will be provided to prevent mud going onto the public highway road.

Traffic management in place as per plan attached.

Car parking will be limited on site, site entrance gates to be fully closed at all times during site works.

All disposal of materials to be transferred by licensed tips.

**4. Condition 8**

Windows(s) facing 261 and 263 will be obscured as shown on drawing no. KR/06/110 and KR/06/111

**5. Condition 15**

Please find attached details from the car lift manufactures and brief description from the MD relating to the drainage.

Other conditions will be followed at a later stage.

Yours Sincerely,

B.Virdee.
