

Biodiversity gain plan

Submit a biodiversity gain plan to show how your development will achieve biodiversity net gain.

When to use this form

A biodiversity gain plan shows how a development will achieve 10% biodiversity net gain (BNG). Submit this form to your local planning authority after they approve your planning application.

Unless your development is exempt, you cannot start the development until the LPA approves your biodiversity gain plan and biodiversity metric calculation tool.

1. Submission details

1.1 Date

For example, 3/11/2023

26/01/2026

1.2 Planning application reference number

44049/APP/2025/799

1.3 Local planning authority (LPA)

London Borough of Hillingdon

1.4 Development site address

If the site does not have an address, enter the OS grid reference.

35 Brookdene Drive, Northwood HA6 3NS

1.5 Describe the development

Tell us about the proposed development and any changes of use (250 words).

Demolition of existing two-storey dwelling and erection of a replacement two-storey dwelling

2. Developer details

2.1 Applicant name

Mr R Abdul

2.2 Company name

2.3 Address

2.4 Email address

shaik.reaz@gmail.com

2.5 Telephone number

07722 809380

2.6 Declaration

By signing this declaration, you confirm that the information you give is complete and correct. Any opinions are your genuine opinions.

2.7 Signature

2.8 Date

26/01/2026

3. Responsible person details

Tell us about who is responsible for completing the biodiversity gain plan. For example, a consultancy ecologist or planning agent.

3.1 Name

Jessica Thomson

3.2 Company name

MKA Ecology Ltd

3.3 Address

MKA Ecology Ltd, New Printing House Square, 222-236
Gray's Inn Road, London WC1 8HB

3.4 Email address

jessica@mkaecology.co.uk

3.5 Telephone number

07955278140

3.6 Declaration

By signing this declaration, you confirm that the information you give is complete and correct. Any opinions are your genuine opinions.

3.7 Signature

Jessica Thomson

3.8 Date

22/01/2026

4. Biodiversity net gain strategy

4.1 Is the relevant date for the pre-development biodiversity value the same date as the planning application?

☐ Yes

☒ No

4.2 If no, what earlier date did you agree with the LPA?

The date of the Biodiversity Net Gain condition assessment survey was 25/06/2025.

4.3 How have you met the guidance on ‘what counts towards your BNG’?

[Find out what you can count towards a development's BNG](#)

All enhancement on-site counts towards BNG in full.

4.4 How will you avoid or minimise impacts to habitats?

Tell us about the steps you've taken on site, including to avoid or minimise the impact on irreplaceable habitats.

There are no irreplaceable habitats on Site. Two trees have been retained and will be protected during construction.

4.5 Did you use your local nature recovery strategy to inform the strategic significance of habitats?

This includes other specified strategies if you do not have a local nature recovery strategy.

☒ Yes

☐ No

4.6 How will you achieve the target net gain percentage?

☐ On-site

☐ Off-site

☒ Both

4.7 Are any of your on-site enhancements considered ‘significant’?

[Find out what counts as a significant on-site enhancement.](#)

☒ Yes

☐ No

4.8 If yes, tell us about the significant on-site enhancements

Include the appropriate planning condition or how you've secured the habitat.

A native species-rich hedgerow is to be planted on Site.

4.9 How many off-site biodiversity units do you need to meet 10% net gain?

0.21

4.10 Explain why you're using off-site biodiversity units

Only answer this question if you're planning to use off-site biodiversity units (250 words).

There are limited opportunities to deliver on-site net gain, and the provision of any more on-site habitats would compromise the design of the scheme.

Although 0.06 units are provided from the creation of the vegetated garden habitat on-Site, there is an overall net loss in Habitat Units. The net loss of Habitat Units is primarily caused by the loss of the yew tree on-Site (-0.15 units) which is a medium distinctiveness habitat. The remaining -0.01 Habitat Units comes from the loss of a small area of vegetated garden which is a low distinctiveness habitat.

4.11 Explain why you're planning to use statutory biodiversity credits

Only answer this question if you're planning to use statutory biodiversity credits (250 words).

N/A

4.12 Do you have a habitat management and monitoring plan?

☒ Yes

☐ No

4.13 Have you used the statutory biodiversity metric tool?

☒ Yes

☐ No

4.14 Biodiversity metric calculation

Send your biodiversity metric calculation to the LPA and enter the file name.

MKA Ecology Ltd - 169225 - 35 Brookdene Drive London
- With off-site.xlsx

4.15 Condition assessments

Send your condition assessments to the LPA and enter the file name.

MKA Ecology Ltd - 169225 - 35 Brookdene Road,
London - Biodiversity Net Gain Assessment Statutory
Metric - 2.0.pdf

4.16 Pre-development habitat survey report and map

Send your baseline habitat survey report and map to the LPA. Enter the file name.

MKA Ecology Ltd - 169225 - 35 Brookdene Road,
London - Biodiversity Net Gain Assessment Statutory
Metric - 2.0.pdf

4.17 Post-development habitat map or landscape plan

Send your post-development habitat survey report and map to the LPA. Enter the file name.

MKA Ecology Ltd - 169225 - 35 Brookdene Road, London - Biodiversity Net Gain
Assessment Statutory Metric - 2.0.pdf

4.18 Have you included an approved habitat degradation in the baseline?

If yes, include the relevant consenting body and reference number.

- ☐ Yes
☒ No

Consenting body

N/A

Reference number

N/A

5. Irreplaceable habitats

5.1 Does the development impact any irreplaceable habitats?

If yes, tell us if you've submitted an approved compensation plan.

- ☐ Yes
☒ No

5.2 Have you submitted an approved compensation plan?

- ☐ Yes
☒ No

6. On-site habitat enhancements

Answer this section if your development includes on-site habitat enhancements.

6.1 Survey date

For example, 3/11/2023

25/06/2025

6.2 Survey constraints

For example, access issues, weather, or seasonal constraints.

No significant constraints were experienced during the survey.

6.3 Total pre-development biodiversity value

Enter the number from the headline results in your statutory biodiversity metric calculation.

Number of area habitat biodiversity units

0.52

Number of hedgerow biodiversity units

0.00

Number of watercourse biodiversity units

0.00

6.4 Total post-development biodiversity value

Enter the number from the headline results in your statutory biodiversity metric calculation.

Number of area habitat biodiversity units

0.36

Number of hedgerow biodiversity units

0.17

Number of watercourse biodiversity units

0.00

6.5 Total net change in biodiversity units

Enter the number from the headline results in your statutory biodiversity metric calculation.

Area habitat biodiversity units

-0.16

Area habitat biodiversity units % change

-30.32

Hedgerow biodiversity units

+0.17

Hedgerow biodiversity units % change

N/A

Watercourse biodiversity units

0.00

Watercourse biodiversity units % change

0.00%

6.6 Will you register and allocate any biodiversity units from your site to other developments?

If yes or provisionally, give details.

☐ Yes

☒ No

6.7 Give details

Tell us about the amount of biodiversity units and the development location (250 words).

N/A

7. Off-site habitat enhancements

Answer this section if your development includes off-site habitat enhancements.

7.1 Tell us about the off-site habitat enhancements

Include whether you're delivering the off-site enhancements or buying biodiversity units.

Purchasing from an off-site provider (Wild Capital)

7.2 Biodiversity gain site register reference number

BGS-091024001

7.3 How have you secured the off-site habitat enhancements?

Tell us about any responsible bodies and whether you've used an S106 or conservation covenant.

Conservation Covenant

7.4 Total baseline biodiversity value

Enter the number from the headline results in your statutory biodiversity metric calculation.

Number of area habitat biodiversity units

0.27

Number of hedgerow biodiversity units

0

Number of watercourse biodiversity units

0

7.5 Total biodiversity value post-intervention

Enter the number from the headline results in your statutory biodiversity metric calculation.

Number of area habitat biodiversity units

8. Statutory biodiversity credits

Answer this section if you need to use statutory biodiversity credits.

8.1 Do you need to use statutory biodiversity credits?

☐ Yes

☒ No

8.2 How many statutory biodiversity credits do you need?

Tell us the unit shortfall by tier, including the spatial risk multiplier. Enter the number from the headline results in your statutory biodiversity metric calculation.

W

8.3 What evidence is there that no units are available through the market?

Send a message from at least 3 habitat providers, or a search result from online registers.

8.4 Proof of purchase

Send proof of purchase and enter the reference number.

9. Trading summary

9.1 Distinctiveness group

Tell us if you met the BNG trading rules on habitat compensation for each distinctiveness group. If you did not meet the trading rules, tell us if you agreed bespoke habitat compensation.

Check the rules on habitat compensation in the [statutory biodiversity metric user guide](#).
