Hi Mandeep,

Sure no worries - please find these attached.

I can confirm that the roof lights are less than 150mm above the roof plane and lower than the highest point of the original roof.

Kind Regards,

Devan

Dear Devan

Please can you email me site photos (in pdf or word format) as we currently cannot do site visits.

Please can you also confirm the rooflights are less than 150 mm above the roof plane and lower than the highest part of the original roof.

Kind regards
