Perfecta with reference numbers indicated in **bold** black are available ex-stock.
Perfecta with reference numbers indicated in light black are manufactured to order, contact our sales office to discuss your requirements.
*Chamfered edges are recommended to reduce the possibility of spalling.
**Step Units are supplied with a 55mm wide non-slip black strip as standard however other colours of strip are available. Risers are also manufactured to suit.
Please contact our sales office for further details.
¹Natural products are manufactured from aggregates sourced locally to the works and contain no pigmentation, therefore colour variation between products from different works is possible.
