Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed roof enlargement has a volume of 24m³, which is within the permitted development limit of 50m³ for a semi-detached dwellinghouse. The proposed outbuilding has a flat roof with a maximum height of no more than 2.5m, which complies with the permitted development height limit for an outbuilding within 2m of the curtilage boundary. The proposed outbuilding, together with the existing dwellinghouse, gives a total built footprint of 106m² within a site area of 295m². This equates to site coverage of approximately 36%, well within the permitted development limit of 50% of the total area of the curtilage.
