## Notes:

- (1) This drawing has been prepared from a basic survey and is suitable for high level space planning works only.
- (2) All setting out critical dimensions and levels shall be verified on site before proceeding with detailed design or construction work.
- (3) Details of existing services and service installations including drainage are not covered in this survey.
- (4) Details of existing structural elements and foundations are not covered in this survey.
- (5) At the time of visits, some areas were inaccessible and therefore not surveyed.
