

This drawing is copyright and owned by AFA Architects & Planners. It is not to be used for any other purpose without the written permission of AFA Architects & Planners.

All other design team elements, where indicated, have been made to the standard condition drawings for each setting out and type of component.

All works shall be carried out in accordance with the latest edition of the relevant standards and specifications. Any deviations from the standard shall be noted on the drawings and approved by the client.

Responsibility for the representation of the drawings shall remain with the design team. It is not the responsibility of the design team to ensure that the drawings are correct in every detail. The design team shall be responsible for the accuracy of the drawings and shall be responsible for the accuracy of the information provided.

Refer to the relevant Construction (Design and Management) Regulations where applicable.

It is assumed that all works on this drawing will be carried out by the design team or its subcontractors.
