Grounds for Application

The existing use of the land is as a private residential garden, forming part of the curtilage of the main dwellinghouse at 26 Oak Avenue, West Drayton, UB7 9EP. The property is a lawful C3 (residential) use and has been in continuous residential use.

The proposed outbuilding will be located within the rear garden and will be used for purposes incidental to the enjoyment of the dwellinghouse (e.g., home office, gym, storage), in accordance with Class E of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted because the proposed outbuilding complies with the requirements of Class E of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Specifically:

The outbuilding will be located within the curtilage of the existing dwellinghouse.

The outbuilding will be used for purposes incidental to the enjoyment of the main dwelling (e.g., home office, gym, storage).

The building will be single-storey, with a maximum height of 3 metres, and will not include any raised platforms.

The proposed outbuilding will not be forward of the principal elevation of the original house.

The outbuilding, together with other buildings within the curtilage (if any), will not exceed 50% of the total area of land around the original dwellinghouse.

As such, the proposal meets all the criteria for permitted development, and therefore it is considered lawful under planning legislation.
