

The glass, obscures closer views of all persons and objects on the other side of the glass. They are only perceptible in a shadowy, diffused manner thanks to the opal effect.

## GLASS SPEC FROM PILKINGTON:

10mm toughened glass

Pilkington Optifloat™ Opal offers all the diffused natural light of a translucent glass, but with none of the drawbacks. An acid-etched product suitable for internal or external use, it creates an attractive finish for windows, partition walls, glass doors, furniture, shelving, wall cladding and many more applications.

It can be stored and processed in the same way as standard float glass, is readily available from stock in a range of thicknesses and can be easily toughened, laminated or brilliant cut – making Pilkington Optifloat™ Opal the ideal choice.

### Features:

high light transmittance,  
diffuses light to give a uniform natural look,  
'Velvet smooth' and durable surface,  
can be used internally and externally,  
etched surface has low reflection.

## COPYRIGHT AND LIABILITY NOTES:

The design and drawings remain the property of Peek Architecture + Design. The client for this project will be licensed to use this design and documents on this site only upon full payment of architectural fees. This license is non-transferable. The design and drawings shall not be reproduced, up-loaded to the internet or traced without the permission of Peek Architecture + Design.

This drawing has been prepared from a survey drawing from Peek Architecture and Design Ltd commissioned by the client. It is VERY IMPORTANT that all dimensions are checked carefully before any work commences or any materials are ordered. If any discrepancies are noticed between this drawing and any other contract document then please contact Peek Architecture + Design immediately.

DO NOT SCALE USE FIGURED DIMENSIONS ONLY

All dimensions to be verified on site prior to the commencement of any work or the production of any shop drawing.

This drawing to be read in conjunction with all related Architect's and Engineer's drawings and any other relevant information.
