## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes  
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Conversion of roof space to habitable use to include conversion of roof from hip to gable end to both sides and to rear with new gable end windows and installation of two skylights to the front roof and two skylights on the rear dormer. The proposed roof volume is 45.25m3 which meets the requirement of 50 cubic meters for a detached house under lawful permitted development.

The works are considered as "Permitted Development" under schedule 2, Part 1, Class B of the town and country planning order 2015:

- No part of any work to exceed existing ridge height
- Proposal not extend beyond the plane of existing roof slope
- Volume is under 50 cubic meter (detached house)
- Proposed gable end windows to be obscure glazed, with the opening being 1.7m above the floor level.
- All material used to match those of existing house

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes  
 No

Has the proposal been started?

Yes  
 No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Single family dwelling house (Class C3)

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
