5. Description of proposed development

SINGLE STOREY REAR EXTENSION.

6. How far, when measured externally, does the proposed extension extend beyond the rear wall of the original dwellinghouse? (Measurement in metres)

5.44 metres.

Note - Original dwellinghouse is defined as the building as it existed on 1 July 1948 where it was built before that date, and as it was built when built after that date

7. What is the maximum height of the enlarged part of the dwellinghouse, when measured from ground level to maximum height of roof? (Measurement in metres)

3 metres.

Note - Ground level is defined as the surface of the ground immediately adjacent to the building in question. Where ground level is not uniform (e.g. if the ground is sloping), then the ground level is the highest part of the surface of the ground next to the building. Raised patios and terraces are not defined as ground level.

8. What is the height of the eaves of the enlarged part of the dwellinghouse, when measured from the ground level? (Measurement in metres)

3 metres

9. Show below the postal addresses of any properties that share a boundary with your property, including any flats and properties to the rear.
