

**Notes:**

- 1) Plants in the front drive to be planted as per the description on Location Plan.
- 2) Timber lap panels will be 1M high in the front drive, increasing to 1.8m high after front elevation wall of proposed building.
- 3) Front boundary wall to be built with matching bricks with main building.

Note: The Drawings is for planning purpose and should not be used for construction.  
All dimensions should be confirmed on site and any deviation should be reported back to designer.
