Full planning permission Application for the Proposed single storey rear extension at 14
Burleigh Road, Uxbridge, UB10 9BG.

Design and Access Statement

Planning application is sought for rear single storey extension. This extension will be added to existing extension and will be used as a conservatory. The total length of the extension including the existing extension will be 6m. height of the extension will be 2.9m with the flat roof. The proposed extension (including existing extension and the garage) will take approximately 25% of the remaining curtilage area around the house building.

Please find attached plans and elevations for more information.
