Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Replacement of existing combustible decking boards and decking joists with a non-combustible aluminium decking system to the existing residential buildings known as West Drayton Estate.

The works compromise removal and replacement of existing timber decking system on existing balconies with no modification to balcony dimensions, no alteration to the external appearance of the buildings, and no change of use. The application relates to six residential buildings as identified on the submitted location plan and drawings.

Does the proposal consist of, or include, a change of use of the land or building(s)?

☐ Yes

☒ No

Has the proposal been started?

☐ Yes

☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The application site compromises existing residential apartment buildings. The existing balconies form part of the approved and existing buildings. The proposed works compromise replacement and remediation works to existing balcony elements, with no modification to balcony dimensions, no material alteration to the external appearance of the buildings, and no change of use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
- ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed works compromise replacement and remediation of existing balcony elements to existing lawful residential buildings in order to improve the fire safety performance of the buildings. The works do not result in any modification to balcony dimensions, material alteration to the external appearance of the buildings, or change of use. The proposal therefore, constitutes lawful development.
