Detailed description: This technical drawing shows a front elevation of a building section. The drawing is labeled 'Front Elevation 1:100' and includes a horizontal dimension line indicating a width of '1683'. The building's facade is divided into several vertical sections. The leftmost section is labeled 'Painted render'. To its right is a vertical column of windows, and further right is a section labeled 'concrete tiles'. The roofline is depicted with red lines, and a vertical line on the far left serves as a reference for the building's height.
