ASSUMED BOUNDARY

Issue:
PLANNING APPLICATION
Not for construction

@ You Architecture Ltd 2020

Notes

Contractors must verify all dimensions on the site before commencing any work. Do not scale off the drawings. If in doubt ask. Any discrepancies to be reported to us.

No construction work before Local Authority consent, Planning Permission, Building Control approval and structural engineer confirmation.

You Architecture Ltd is not liable for any work undertaken without Planning Consent or Building Regulations Approval before or after our involvement.

All structural elements inc. joist, beams and columns are to be constructed in accordance with all relevant building regulations and in conjunction with all relevant drawings and specifications.

All work is to be carried out to the latest British standards, Codes of Practice and recognised working practices. All work and materials should comply with health and safety legislation.

You Architecture Ltd reserves all legal rights and copyrights in the drawing.

CDM REGULATIONS 2015

The client must abide by the CDM Regulations 2015 and you may have a requirement under the Regulations to appoint a Principal Designer & Safety Executive. The Health and Safety Executive is to be notified as soon as possible before construction work starts if the works: (a) involve construction work that is expected to last more than 30 working days or more than 20 workers working simultaneously at any point in the project. (b) Exceeds 500 person days.

If the contract exceeds the above then it is the client's duty to appoint a Principal Designer & Principal Contractor in accordance with the Regulations. You Architecture Ltd is not to be the Principal Designer and this role will be carried out by other, unless otherwise is agreed with us in writing. You should be aware of the Regulations and the duties of the Principal Designer in accordance with CDM2015. If you are not please let us know and we can provide you guidelines.

PARTY WALL ACT

The owner, should they need to do so under the requirements of the Party Wall Act 1996, has the right to require the adjoining owner to contribute to the cost of any work on, to or near an existing Party Wall involves any of the following:

- (a) Any work that is going to be carried out directly to an existing party wall or party structure
- (b) Any building of or alongside the boundary line between properties
- (c) Excavation within 3 or 6 metres of a neighboring building(s) or structure(s), depending on the depth of the hole or proposed foundations.

We confirm that we do not accept any liability for any damage to any property or any issues raised by neighbour, unless otherwise is agreed with us in writing.
