

Existing Ground Floor Plan

Existing First Floor Plan

Proposed Ground Floor Plan

Proposed First Floor Plan

**Notes:**  
 All work is to be carried out to the latest current British Standards Codes of Practice and recognised working practices.  
 All work and materials should comply with Health and Safety legislation.  
 All work and materials to be approved by the District Authority Building Control Officer.  
 All dimensions are in millimetres unless where explicitly shown otherwise.  
 The contractor should check and certify all details and dimensions as work proceeds and notify the architect of any discrepancies if in doubt ask.  
 All work to be carried out in accordance with the current regulations.  
 Any work not specifically mentioned to be agreed with the client.  
 The position of all boundaries are assumed based on information provided by the client. The client is under strict duty to confirm the actual location of all boundaries with their neighbour and any work as proposed will be probably covered by the Party Wall Act and will require you to write to your neighbour informing them of the work. You may only commence when you have their written consent. For further information you are advised to consult a solicitor.
