## Wheelie Bin Store 149 - Wooden Slatted, FSC® Certified

**Price: £199**

- Specifically designed for wheelie bin storage with no timber floor to provide easier access
- All timber used in the construction of this product originates from sustainable forests
- Only the products described as FSC are FSC 100%, certificate code INT-COC-003944, licence number FSC-C109654
- To verify our FSC membership visit the [FSC Member Search](#) and search for **Summer Garden**
- All timber treated with a light coloured preservative
- Easily painted in any other colour of your choice
- For best results a top coat is recommended soon after installation
- All timber construction with no chipboard, plywood, OSB or other man made boards or sheet materials
- Attractive slatted design features gaps to provide ventilation for hygienic reasons
- Unusually narrow gaps ensure an effective screen with an attractive overall appearance
- Side hinged front doors included with sliding bolts
- Top hinged lids with securing chains included
- Attractive horizontal timber slats to the front and both sides with narrow gaps
- Attractive horizontal timber slats to the lids with narrow gaps
- Timber diagonal bracing at the rear in lieu of slats to provide greater rigidity

- Designed to suit a location against a wall or a boarded fence
- A flat, solid base is recommended, such as concrete, slabs or decking
- Reversible doors, can be hinged on either side to ensure maximum opening width, helps to ensure easier access in a tight corner
- 34mm wide black powder coated steel threshold with minimal upstand and pre drilled holes
- 60mm x 20mm main framing (ex 3" x 1")
- 60mm x 38mm central internal support posts (ex 3" x 1.5")
- 42mm x 20mm roof framing (ex 2" x 1")
- 48mm x 10mm slats to walls (ex 2")
- Side panels 805mm wide x 1140-1180mm high
- Doors 605mm wide x 1035mm high
- Accommodates standard 240 litre wheelie bins
- Also accommodates smaller 140 litre and 180 litre wheelie bins
- Does not accommodate 360 litre wheelie bins
- Clear opening width approximately 2'0" (600mm) per opening
- Clear opening height approximately 3'9" (1140mm)
- Overall depth approximately 2'8" (805mm)
- Overall width approximately 4'4" (1330mm)
- Overall height approximately 3'11" (1190mm)
- These wheelie bin stores are easy to deliver if access is restricted - all sections will pass through a normal single door
- Prefabricated panels makes installation easier
- Architects and developers love our binstores - click here to [See Images](#) (opens in a new window).
