

Fire Safety Statement:

01/08/2026

Proposal:

PROPOSAL FOR SINGLE STOREY REAR / SIDE EXTENSIONS & INTERNAL ALTERATIONS.

Site Address:

37 WOODCROFT CRESCENT
UXBRIDGE
UB10 9JB

Documentation:

This statement should be read in conjunction with the following documents:
37WC-E/06072026/PD

Name of person completing the fire statement and relevant experience:

Prabh Singh of S9Designs Consultants Ltd.

Consultation in relation to Fire Safety and Fire Strategy:

No external consultation has been taken due to the minor size of the proposal.

Comments:

The property is an End-Terraced house. Existing construction is of a brick and block masonry construction with timber joists.

The proposal is Erection of proposal for single storey rear / side extensions & internal alterations, which will be subject to a Building Regulation approval whereby the relevant Building Control requirements for Fire Safety would be met.

The proposal will be equipped with mains operated Fire / smoke detection system with sounders. Means of escape shall be provided via a protected means of escape from all rooms to a place of safety outside in front of the main entrance.

Site plan below shows a dedicated unobstructed area for the storage of fire equipment and a dedicated unobstructed area for evacuation.
