

Notes:

do not scale:  
detailed drawings and larger scale drawings take precedence. Figured  
dimensions only are to be taken from this drawing.

dimensions:  
All building and site dimensions, levels and sewer invert levels at  
connection points are to be checked and verified on site by the  
contractor before the commencement of works. All dimensions are to be  
checked prior to the placement of orders for materials or the fabrication  
of work and any discrepancy, omission or error is to be reported to the  
Architect immediately for verification.

specification:  
The Contractor is to comply with current Building Legislation, British  
Standard Specifications, Building Regulations etc. whether or not  
specifically stated on this drawing. This drawing must be checked  
against and read in conjunction with any structural or other relevant  
specialist and design documentation provided.
