

project name: Land adj 8 Lavender Road Hillingdon

Details of brickwork fenestration and surface materials  
Clay Tiles

#### Details of Clay Tiles

Tenterden Blend Roof Tiles to be laid in accordance with BS 5534

Tiles to be drawn from all pallets to achieve the best blend and avoid "patching"

Tiles should be layed by a well practiced roofer with experience using handmade clay tiles

Pallets on site should be on firm, dry and level ground, no more than two pallets high

date: 07/09/2023
