Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The alteration of roof form for loft conversion and extension at 2nd floor to create additional habitable space. Installion of two roof windows in front roof slope.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The current use is C3 - dwelling house and the loft conversion would still result in the property being used as a dwelling house (C3). The loft is being extended outwards over the footprint of the existing building. All proposed works are within permitted development rights for building works to a single family dwelling.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Existing & Proposed Elevations

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The volume of the proposed loft conversion is less than 40m³. The works will not extend above the existing ridge on the main front elevation. All works are within the curtilage of the property. Roof extensions, apart from hip to gable ones, to be set back, as far as practicable, at least 200mm from the original eaves. Therefore, the proposal falls within the permitted development (PD). All material to be in keeping with existing structure.
