Thank you for your e-mail.

Kelly has now left Hillingdon.

If you want bay windows a householder application will be required in order that they can be assessed through the normal planning process. I, personally, would be a little surprised if they caused significant harm to the street scene given the unique design of the houses with the significant front projections-but I have been wrong before!

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
