## Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Amendment to Condition 11 - No more than 2,600 Development Units shall be occupied prior to the bringing into use for general traffic of the Pump Lane Access works as shown on Drawings No 52212/B/33 and 52212/B/34 unless otherwise agreed in writing by the London Borough of Hillingdon as the local planning authority in consultation with Transport for London.

Please state why you wish to make this amendment

Condition 11 requires completion of off-site highway works to the A312 at Pump Lane as directed in Plan 52212/B/34/A. TfL have completed modelling and determined that the junction is not required, condition 11 requires amendment to remove reference to Plan 52212/B/34/A with the rationale set out below.

On 18/11/24, an email received by TfL Pump Lane, Bilton Way and A312 Proposed Junctions included a document labelled Pump Lane NPD Comment 28-02-2024 which concluded the following: The current option presented to TfL does not include any changes to the junction of A312 and Pump Lane on/off slips. As such this has not been assessed by TfL NPD. The LinSig and VISSIM modelling that has been undertaken has assessed the proposals at Pump Lane / Access and Bilton Way / Pump Lane. Both of these schemes have been approved by TfL NPD. TfL NPD satisfied that the current proposal is appropriate and that the proposal to signalise the junction of Pump Lane and A312 can be omitted from the scheme. The document is included within this planning application

Are you intending to substitute amended plans or drawings?

- ☐ Yes
- ☒ No

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
- ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
- ☒ The applicant
- ☐ Other person

## Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
- ☒ No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
