Date

Aug 2025

All extensions and external changes have already been approved :

- Erection of a first floor side extension over existing garage. Conversion of integral garage to habitable accommodation and amendments to fenestration. Rev No: 5516/APP/2025/3
- This application seeks permission solely for the change of use from C3 to an 7 bedroom, 8 occupant HMO with minor internal changes. No external alterations are proposed, and all rooms are designated for single occupancy only.

Along full length of gable end wall the wall will be fully lined and covered with acoustic insulation board to reduce the level of air borne sound passing through the wall. As denoted by the green dotted line.

Along full length of party wall shared with neighbouring property, the wall will be fully lined and covered with acoustic insulation board to reduce the level of air borne sound passing through to adjacent property next door. As denoted by the green dotted line.
