

Statement

This statement is prepared to support full application for 7 Harries Rd, Hayes UB4 9DD. Our Client is disabled badge holder and going through varies illness. The project is first floor extension to create a large bathroom along with converting existing garage to an annex. The proposed also include erection of new dropped kerb.

Our Client wants to create a large bathroom because she is unable to use the existing bathroom. She also wants her daughter to live close to the property and decided to change the existing garage to an annex.

The first floor extension is similar to what is already approved in the neighbourhood. The proposal will have no impact on the surrounding environment.
