

The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy will be verified with the Architect before proceeding with the work. Where an item is covered by drawings to different scales the larger scale drawing is to be worked to.

Do not scale drawing. Figured dimensions to be worked to in all cases.

OSHA REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environment Assessment Record.

All intellectual property rights reserved.

All internal walls shown are taken from record drawings, for which there may be minor discrepancies. For the avoidance of doubt there are no proposed internal remedial works under consideration for this planning application. This application is relevant to external works only.
